Indian Higher Education:
Current Status and Leadership Challenges

11 - 13 June 2019

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India.

He founded the first Catholic indigenous congregation, Carmelites of Mary Immaculate (CMI) in 1831 which administers CHRIST (Deemed to be University).

Established in 1969 as Christ College, it undertook path breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission conferred Autonomy to Christ College in 2005 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resources Development of the Government of India, declared the institution a Deemed to be University, in the name and style of CHRIST (Deemed to be University). One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016 CHRIST (Deemed to be University) has the top grade 'A' in the 4-point scale.

The multi-disciplinary University which focuses on teaching, research and service offers Bachelors to Doctoral programmes in Humanities, Social Sciences, Science, Commerce, Management, Engineering, Education and Law to over 21000 students. The campus is a living example for the harmonious multiculturalism with students from all the states of India and from around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published around 200 books in Kannada and in English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

FOCUS

The focus of the three day seminar is to enable educational leaders to develop, reflect, discuss and analyse the current status of Higher Education to equip them to respond effectively in meeting the challenges of current developments in Higher Education.

CONTEXT

The competence and commitment of educational leaders play a pivotal role in improving and strengthening the teaching-learning process, research and innovation. An assessment of the current status and its implications on leaders significantly impact their roles in creating space for a conducive environment for management and quality in institutions. As governance drives excellence in academics and in institutions/universities, the role of the leaders becomes critical in augmenting quality in the higher education ecosystem in the country.

The seminar on Indian Higher Education: Current Status and Leadership Challenges will bring together an array of thoughts by experts in higher Education to create an opportunity for capacity building among leaders. The emphasis will be on mechanisms to respond to the emerging and current developments that are volatile which challenge Higher Education today.

CENTRE FOR EDUCATION BEYOND CURRICULUM (CEDBEC)

The Centre has been conceived as an attempt to stimulate and rediscover through experience, the perspectives in education so that individuals and institutions reflect and rediscover themselves and move towards a sustainable progress in the educational arena.
